

AUTOPULSE Z-20 Agent Releasing Panel Service parts

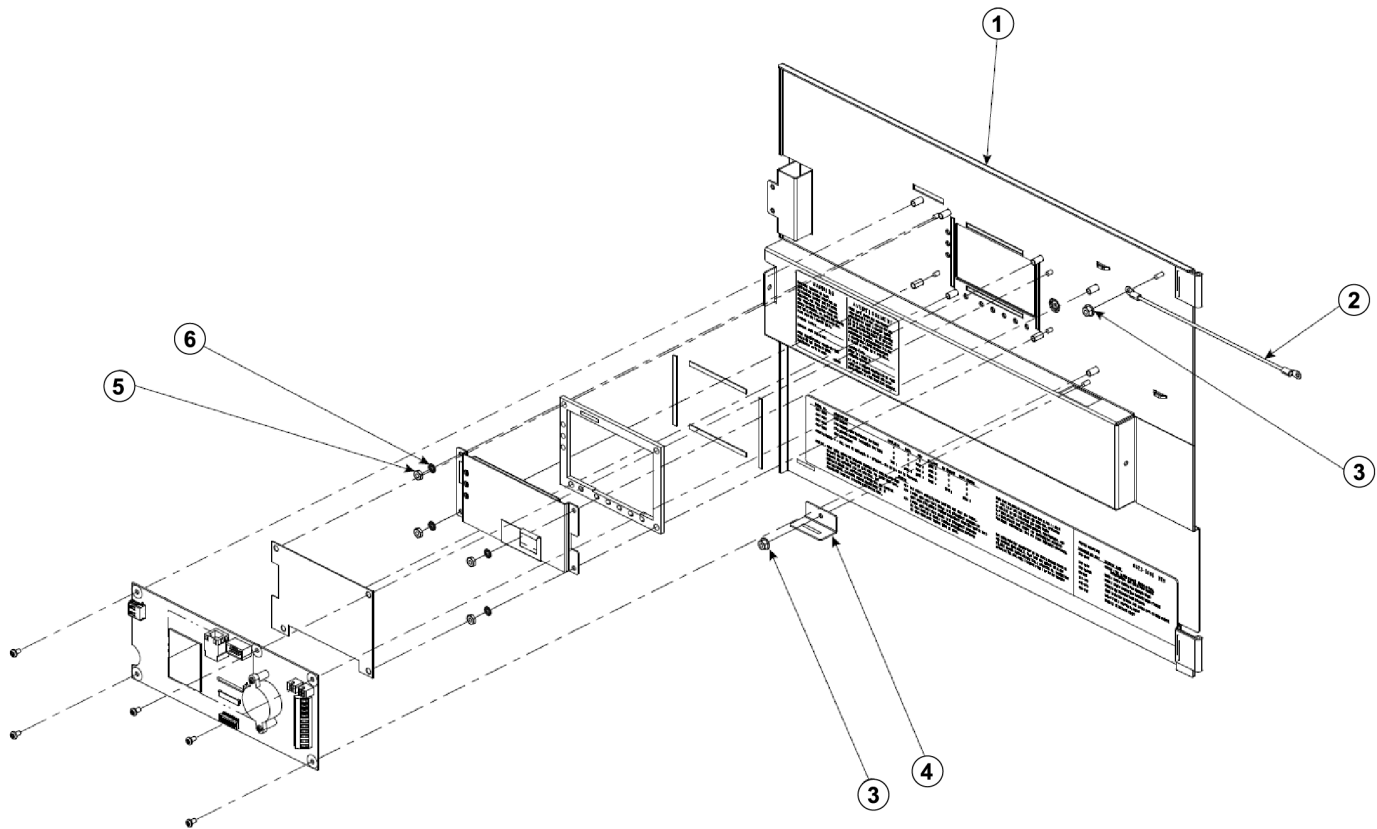

Figure 1: Front assembly with electronics

Callout	Part number	Description
1	699-561AR	Frame assembly with electronics
2	734-104	Ground strap 12 AWG
3	n/a	Nut, #6-32
4	650-1192	LED Module wire entry cover
5	n/a	Nut, #6-32
6	n/a	Washer, external lock, #6

Base panel

Table 1: Base panel

Part number	Base panel
4007-9101AR	AUTOPULSE Z-20 Agent Releasing Panel

Optional modules

Table 2: Optional modules

Part number	Optional modules: Field installed
4007-9801	Zone/Relay Module
4007-9802	25 V Regulator Module
4007-9803	IDNet+ Loop Expansion Module
4007-9805	LED Module
4007-9806	SDACT Module
4007-9809	Relay Module

Harnesses

Table 3: Harnesses

Part Number	Description
734-304	Harness, Battery to Power Supply
734-305	Harness, AC to Power Supply
734-306	Harness, DACT to Power Supply
734-307	Harness, 25 V Regulator to Power Supply
734-308	Harness, Dual Class A to Power Supply Harness, Dual RS-232 card to Power Supply
734-181	Harness, CPU to LED Module Harness, Zone/Relay Module
734-008	Harness, CPU to Power Supply
2080-9047	Harness, DACT

Labels

Table 4: Labels

Part number	Description
623-1446	Slide-in labels, Main User Interface
623-1447	Slide-in labels, LED Module

Backbox and trim

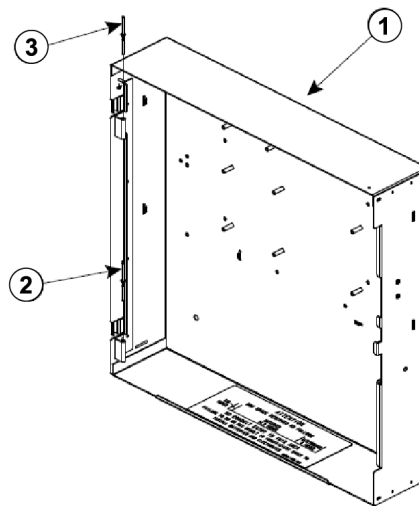

Figure 2: 699-549 Backbox assembly

Callout	Part number	Description
1	699-549	Backbox assembly, red, includes labels
2	698-909	Hinge pin
3	698-910	Hinge pin
	2975-9812	Semi-flush trim, red
	251-008	Grab catch assembly, used to secure the dress panel to the box.

Power supply

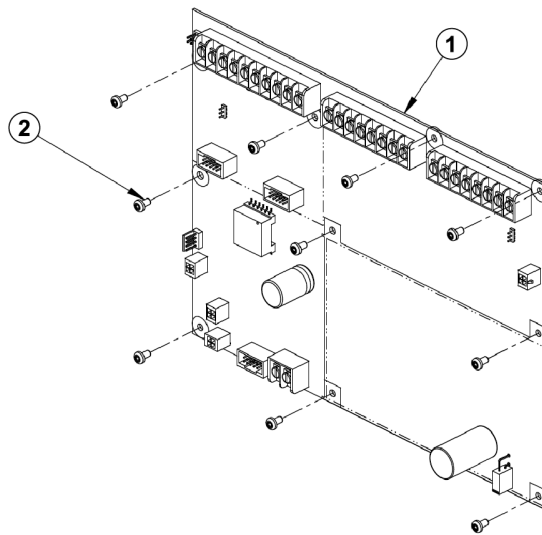

Figure 3: 650-1244 NAC Power Supply board

Callout	Part number	Description
1	566-1422	NAC Power Supply board assembly
2	N/A	Screw: 6-32x1/4 lg, Torx
	650-1182	Power Supply cover

Door assembly

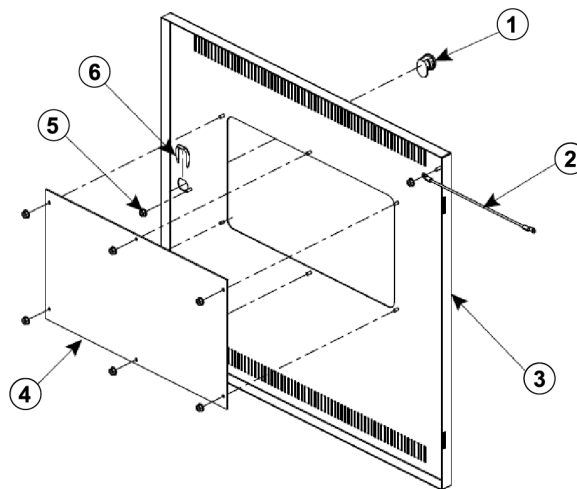

Figure 4: Door assembly

Callout	Part number	Description
1	266-005	Cam lock
2	734-104	Ground strap 12 AWG
3	699-546	Door assembly, red
4	699-548	Enclosure window
5	n/a	Nut, #6-32
6	266-072	Retaining clip
